Swearing In Ceremony

On December 7, 2023, I was sworn into the City of Boulder City Council. I am grateful for all those who made this possible. All those who believed in a climate and culturally resilient city grounded in justice and joy. Special thanks to my partner Randy, Michelle Denae, my campaign manager and the rest of the campaign team, volunteers, endorsers, supporters, donors, friends, and family.

2024 Council Cmte Assignments

Boulder Reg'l Housing Summit

Powerful to be in the room with elected officials, staff, partners, and community members to unpack where we have been, where we are now, and what we need to do collectively to move forward towards shared goals. Visit City of Boulder website to learn more.

Safe & Managed Public Spaces (SAMPS) Tour

Homelessness is a result of inequitable systems that leave too many cracks for people to fall through. Thank you to the team for their efforts to center compassion and care in these challenging times where we are working hard and smart to dismantle these systems. Visit City of Boulder website to learn more about this work.

**BLACK
HISTORY &
FUTURES
MONTH**

I believe that every governmental body has an affirmative duty to ensure that it takes the necessary steps to provide [life, liberty, and the pursuit of happiness] to all its citizens.”

**PENSFIELD TATE II
FORMER MAYOR
CITY OF BOULDER**

When he became mayor, Tate described his city as “a town that has a lot of people who are concerned about what happens to it. You know, Boulder will never drift in a direction. When it goes places, it goes deliberately. I can’t say that I’m always pleased at where it’s going, but it’s always moving deliberately. And it’s because the people who live there really give a damn about the city and they make their thoughts and their desires and their needs known. I think that’s a good kind of a city to be involved in.”
